

To copy the materials from an old course to a new semester:

- **Go to** the old course
- **Go to** the “Control Panel”
- **Click** on “Packages and Utilities”
- **Click** on “Course Copy”

Log into the course that has the content you’d like to move to another course.

Navigate to the Control Panel in the bottom left of your course screen.

- **Select** “Copy Course Materials into an Existing Course”

If you don’t choose “Copy Course Materials into an Existing Course” you won’t see the “Browse” button.

Copy Course

Course copy can make an exact copy of the course. Course copy can also make a copy of some of the materials and have manage permission on these files to make copies of them. [More Help](#)

You must select the "Grade Center Columns and Settings" or no quizzes, assignments or graded discussion boards will transfer over.

You must select “Grade Center Columns and Settings” if you want gradable content to copy over. This will NOT bring grades from previous semester students, only the gradebook columns.

- Click "Submit"

Go with the defaults for the #3 and #4.

3. File Attachments

Select an option for copying your file attachments. If content will be reused in a different course, copying links and copies of the content is the recommended option. Click **More Help** for additional information.

Course Files

- Copy links to Course Files
- Copy links and copies of the content
- Copy links and copies of the content (include entire course home folder)

4. Enrollments

Copy enrollments for all users in the course. This option does not copy user records in the course, such as grades. User records are only copied with Exact Copy.

Enrollments Include Enrollments in the Copy

5. Submit

Click **Submit** to proceed. Click **Cancel** to go back.

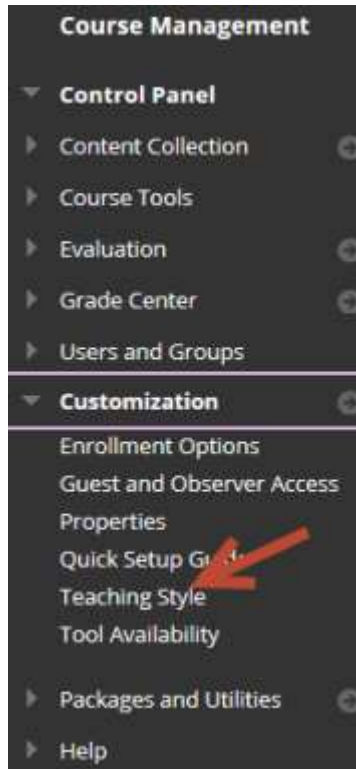

Leave this blank. You don't want any enrollments copied over.

Cancel Submit

The copy process will begin. It can take several minutes to complete. You will get an email when it is done.

Customize Your Course Menu

To change your course menu colors and text use the “Teaching Style” link on the Control Panel under “Customization.” Options are also available under this link to change the overall look and feel of the course.
