# ADMINISTRATIVE SYSTEMS

Administrative Systems provides technical support for the University's business, operational, and administrative information technology applications. These include the **Banner** ERP (Enterprise Resource Planning) system, **Evisions** (Form Fusion, Argos, and Intellecheck), and **Touchnet** (payment gateway).

## BANNER

The Banner Project mission is to strengthen collaboration across all University constituencies. This collaboration is intended to lead to business processes that enhance data integrity, improve services to students, and foster a "Culture of Excellence."

Banner is a large integrated Enterprise Resource Planning (ERP) system used for managing the broad scope of the University's financial, human resource, payroll, student, advancement, sponsored research and related activities.

**How to login to Banner?** Banner is a Web based application that can be accessed through web and is used by the Faculty/Staff for day-to-day business. A Banner account is needed to access the system.

**Need access to Banner?** Simply complete the [Banner Access Request Form](#).

Also, to **terminate access to Banner**, Please complete

the [Security Access Termination Form](#).

**Having trouble logging into Banner?** [Contact our help desk](#)
