

# Sul Ross State University Staff Appreciation Initiative Nomination Form

The Staff Appreciation Committee is a branch of the Staff Council and was created for the purpose of developing and implementing recognition and acknowledgement of new and present staff. The Committee encourages a positive attitude toward staff and demonstrates day-to-day appreciation of staff and their contributions to the university. The Mission of the Staff Appreciation Committee is to acknowledge the importance of the staff in relation to the university's success and to give the staff the tools needed to promote that success. Funding is available through Staff Council for certain activities in recognition of staff.

Use this form to recommend a staff appreciation initiative for consideration by the Staff Appreciation Committee and Staff Council.
